All in Harmony

Chorus

From all the mountains will come the melody
And from the valleys pour forth the song
All creation will lift their voices
From the lands and waters
All in harmony.

- 1 When all the lands are like a garden
And every forest grows unharmed
When every river shines as clear as crystal
Then our song can flourish
All in harmony.

Chor:

- 2 When all the leaders of all the nations
Unite to answer the call
To protect the earth and all its creatures
Then our song can flourish
All in harmony.

Chor:

- 3 Teach the children a different story
Not to praise those heroes of war
Not to strive for a nation's glory
But for peace and fellowship
All in harmony.

Chor:

- 4 When every country gives up its boundaries
And all the soldiers lay down their arms
When all the nations have joined together
Then our song can flourish
All in harmony.
