## Chorus

Come sing wassail  
Sing wassail  
Awaken the trees  
With our wassail

Blossom in the Springtime  
Brings the honey bee  
Fruits in the Autumn  
Grow on every tree

Apple and pear and  
Walnut and cherry  
Damson and plum  
Will make us all merry

Here's a little cider  
Made last year  
From our wassail  
Bowl to share

Cider on your branches  
Cider on your roots  
Well may you blossom  
And well may you fruit

Bless the Hens Orchard,  
Spirit of the trees,  
Bless the robin redbreast  
And the honey bees
