It's time to move on.

There was a soft moonlight  
Dancing to the sea and back  
He moved like a child

She taught me how to see  
A tree was only a tree -  
I'll paint what I see now.
- 4 I see it with new eyes  
I see it with surprise  
As when the sun comes up  
Fresh light fills the skies.
- 5 I see my future clear  
I'll go away from here  
Thrown off all weakness  
I'm bound for success".
